KIDS

Bienvenue !

Maîtresse, maman, maître, papa, grand-parent, nounou, grand frère, grande sœur... Bienvenue à tous dans le premier cahier d'activités My Little Kids en partenariat avec L'école des loisirs.

Ensemble, nous sommes convaincus qu'un livre, c'est tellement plus... qu'un livre.

Un livre, c'est une histoire, un monde, des mots qui comptent, des dessins qui changent la donne.

Un livre, c'est un ami, un ange-gardien, un compagnon de jeu.
Un livre, c'est des super-pouvoirs de poche.

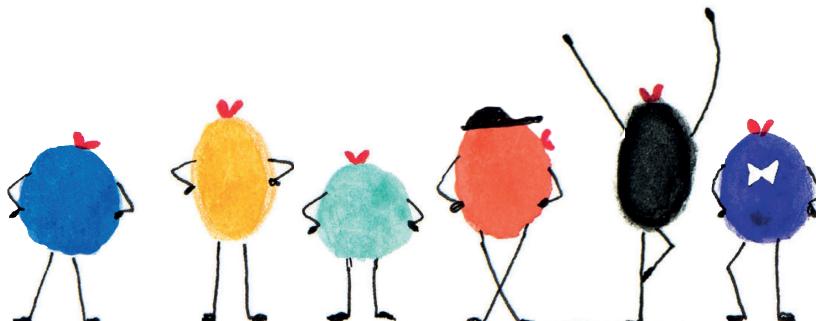

C'est dans cet esprit qu'on a imaginé avec Clémentine du Pontavice un cahier d'activités pour prolonger les super-pouvoirs de son livre, *Truc de fille ou de garçon ?*

On dégomme les clichés avec une cocotte en papier, des dominos, un mini théâtre...

Vous trouverez dans les prochaines pages tout ce dont vous avez besoin pour amorcer les discussions, soulever de petites questions et de grands débats, selon de l'âge de chacun.

Vous êtes prêts ?

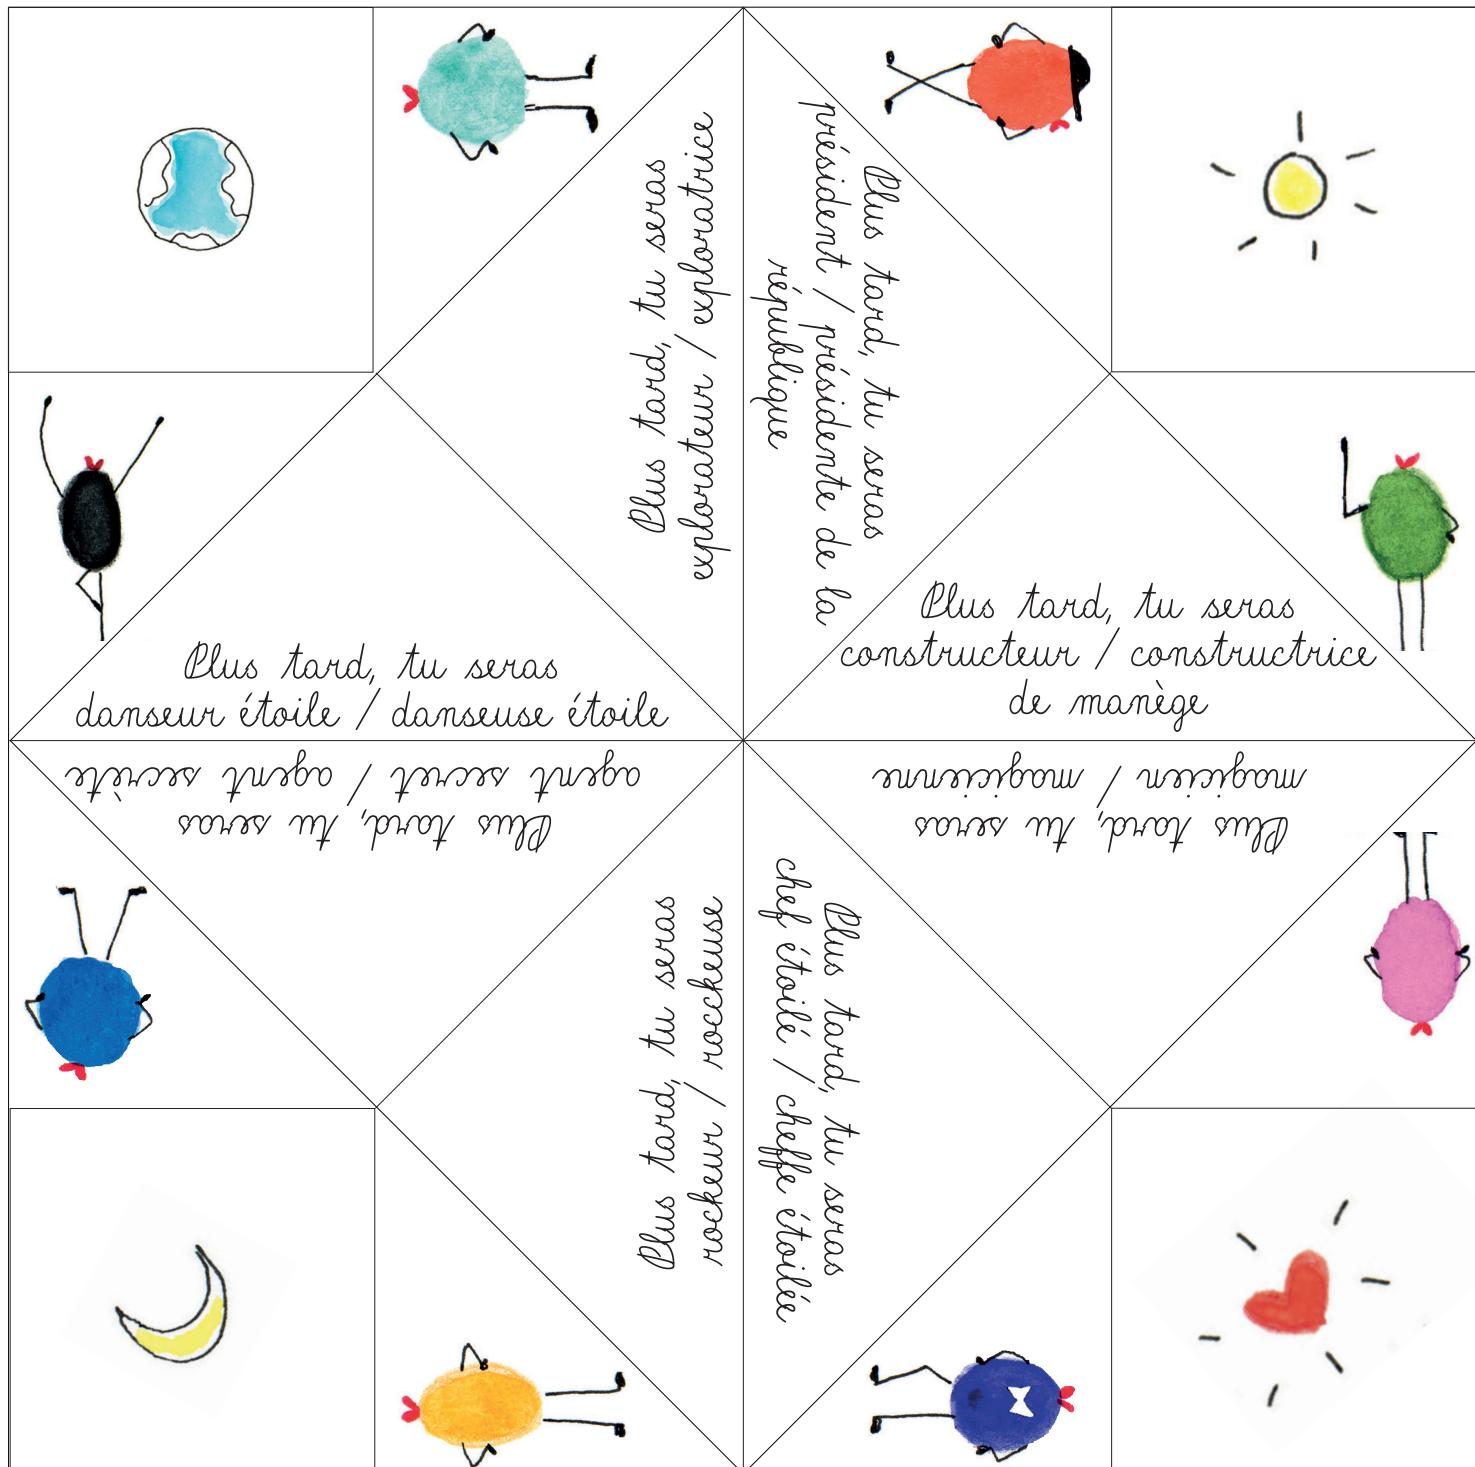

3, 2, 1... C'est parti pour un moment sans clichés, mais avec des crayons de couleurs.

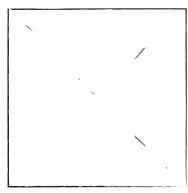

La cocotte du futur

- Ben alors petite, tu ne veux pas être infirmière comme ta maman ?
- Pourquoi tu ne veux pas devenir pompier comme tous les garçons ?

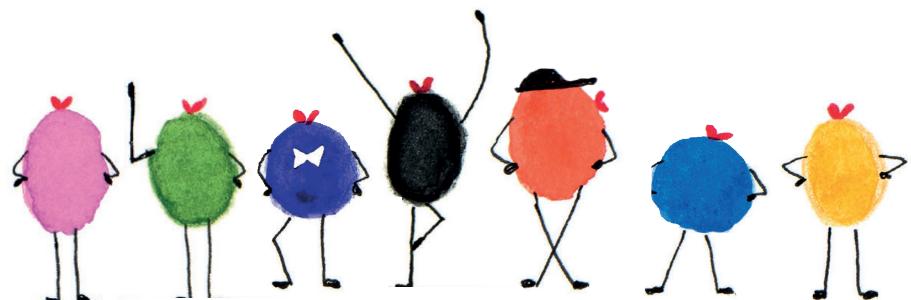

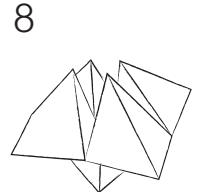

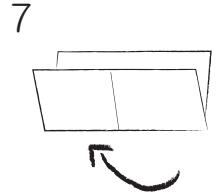

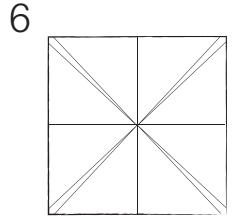

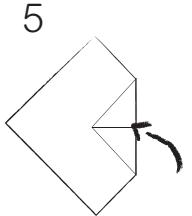

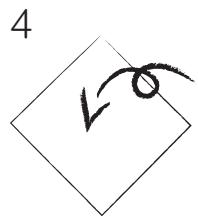

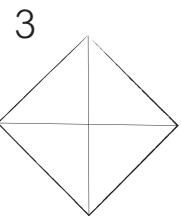

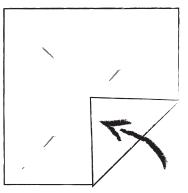

Pour en finir avec les clichés, découpez, pliez et comptez
pour savoir qui vous serez.
Garantie sans métier ordinaire !

Le kit des bonhommes

La bande de la récré

Pour fabriquer votre propre bande, suivez bien notre mode d'emploi.
La seule limite ? La créativité !

Matériel :

- quelques feuilles cartonnées
- une paire de ciseaux
- des petits tubes de peinture
- des doigts propres (c'est mieux)
- un stylo noir

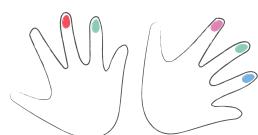

Étape 1 :

Sur l'une des feuilles cartonnées, faites des petits tas de peinture.

Étape 2 :

Tapotez légèrement le haut de la peinture avec le doigt.
Il faut que toute l'empreinte digitale soit recouverte.

Étape 3 :

Appuyez le doigt coloré sur une autre feuille : n'hésitez pas à faire plusieurs essais, au début, la peinture peut faire des paquets.

Étape 4 :

Laissez sécher, et ajoutez des bras, des casquettes, des nœuds pap', des capes, des accessoires dans les cheveux... Ce que vous voulez !

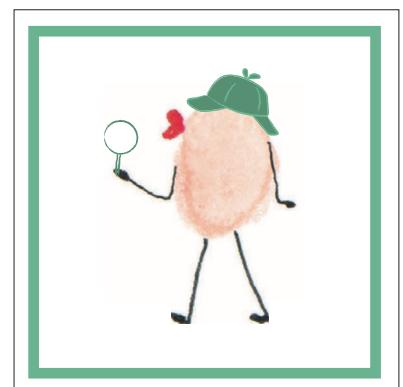

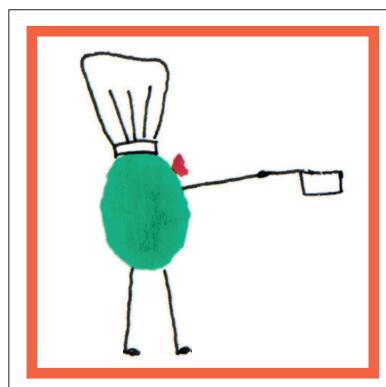

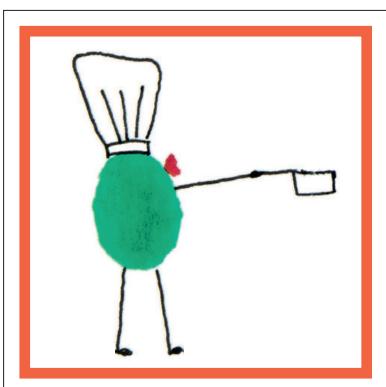

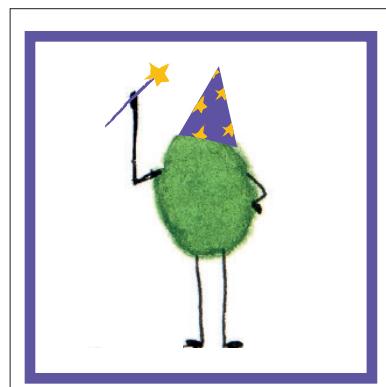

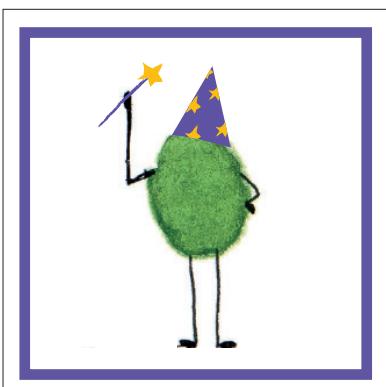

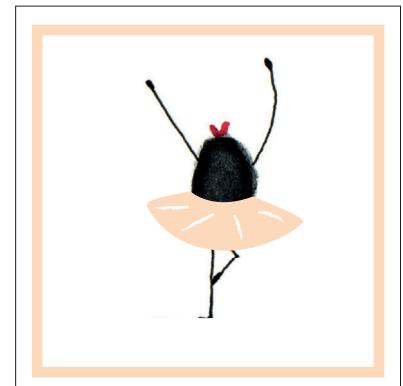

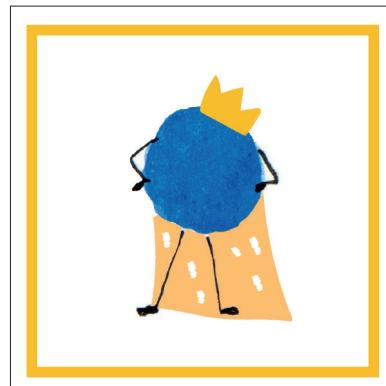

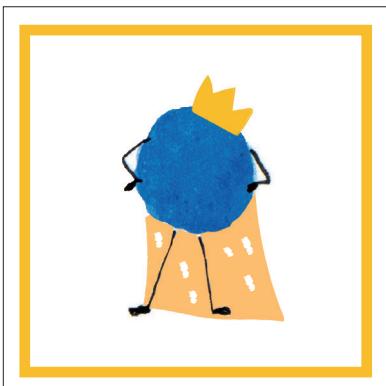

Voici une liste d'éléments qui s'ajoutent facilement :
