THIBAUT PRUGNE

THREE ADVENTURES WITH FOX – ANTHOLOGY

This collection brings together three stories that explore with humor the themes of friendship, working together, and self-confidence.

Once upon a time in a forest, there lived a fox who was slightly grumpy, often starving, and always funny. Thrilling and hilarious, his first three adventures have been compiled here, for three times more laughter!

Between naps, Fox roams the forest and the surrounding area in search of nice juicy prey. But he has a real knack for getting himself into terrible pickles! A vole, a squirrel, chickens, a wolf, a toad, and even a grizzly... All these characters will give him a run for his money. Luckily, he's never short on ingenious ideas when it comes to outsmarting his foes!

This carefully crafted edition will also feature a dossier revealing a behind-the-scenes look at the series' creation.
